wided for recreation and entertainment for the lepers, but he felt that more could be done for the white people living there. He says more is being done by the territory at Molokai than at any other leper settlement in the world, and therefore part of the expense should be borne by the federal government. On Maul Dr. Hoffman was entertained by Harold Rice at Pais and by Your suggestions. On Maul Dr. Hoffman was entertained by Harold Rice at Pais and by Your suggestions. MoBride, sheared, off, the danagerous should be spent in Manila, and the different camps and the hospital. Considering the Oriental class of labor he felt that everything reasonable was being done for their healthful surroundings, he said. The plantations, he said, were in marked contrast to the almost complete absence of proper medical care on the negro plantations of the mainland. While on Hawaii Re visited Dr. E. S. Goodhue in the Kona district and Dr. B. S. Bowman, health officer at Hilo. He could not speak too highly, he said, of the sanitary administration profess.

D. S. Bowman, health officer at Hilo. He could not speak too highly, he said, of the sanitary administration under Dr. Bowman, Dr. J. S. B. Pratt, president of the territorial health board, and Dr. R. P. Blue, surgeon-general of the U. S. public health service.

For a tropical country the sanitation there is the best he has ever seen. The method is best illustrated by rat-proofing all plantation homes Tourists, officers of the army and avy and their ladies and local soc ety folk are invited to a dance to be given this evening at the Moana Hotel. Dancing commences at 9 o'clock .-- Adv.

U. S. WARNS DYSPEPTICS as a precaution against bubonic plague. Each plantation has a sanitary survey, he said, making perfect sanitary control. UNLESS FRESH SAY NOTED AUTHORITIES. THE BEST WAY TO TREAT INDI-GESTION. Dr. Hoffman also visited the volcano and the Puna district, where he was the guest of Henry Lyman at a luau. He will leave for Kauai tomorrow and then for the mainland March 30.

Sufferers from indigestion and ner-vous dyspepsia who have been relyng upon frequent doses of pepsin, diatase, pan creatin, trypsin, etc., as contained in various patent digestive remedies, in order to obtain relief are warned by the U. S. Dept. of Agriculture that investigation shows that valley, aged 16 days.
